MATERIALS TESTING TECHNICIAN - LEVEL 2

ENG-TECH Consulting Limited is seeking full time **Materials Testing Technician – Level 2** to join our team of professionals. Applicants must be motivated individuals with a passion for material sciences, have strong competencies in mathematics, and be detail and solution-oriented.

Position Requirements

Applicants must have 1-2 years of experience in testing and inspection of soils, asphalt, concrete and mortar. Applicants should be a Certified Engineering Technologist or Certified Technician through C.T.T.A.M or another provincial body, should have ACI Level 1 or CCIL Type Q Concrete in the laboratory and field, and should hold a valid Class 5 driver's license. Applicants must be able to interpret technical procedures and specifications, and prepare technical reports. Additionally, applicants must be detail oriented, demonstrate proficiency with computer software, possess critical thinking skills and have the ability to communicate complex ideas clearly and simply, both orally and in writing.

Experience Required

- Concrete mix designs, routine and complex laboratory and field tests
- Soils testing and reporting
- Routine maintenance and/or calibrations on lab equipment
- Density testing
- Experience with asphalt desirable but not required.

Duties

- Understand project specifications, document and report test results
- Conduct field testing, inclusive of concrete, soils and asphalt testing, and related inspections
- Clear and accurate communication with co-workers, laboratory management, and clients
- Assist in equipment maintenance
- Assist in calibration of equipment and maintenance of certification paperwork

Expectations

- Be willing to work in mobile laboratory and/or in camp settings
- Be willing to work outside of Winnipeg for both short- and long-term
- Be comfortable driving for extended amounts of time and work in remote settings
- Be able to make decisions in the field with input and guidance from laboratory management.

To apply please forward your resume to allisonc@eng-tech.ca

We thank all applicants for their interest, however, only those being considered for an interview will be contacted.
