

NanoXplore Inc. - Manufacturing Technologist

NanoXplore Inc.

Gimli, MB

Full-time

Location

Gimli, MB

Benefits

- Dental care

Faroex, located in Gimli, Manitoba, is division of NanoXplore Inc. a manufacturing company specializing in the production of plastic & composite components for the Agriculture, Alternative Energy, and Commercial Transportation markets.

Faroex is seeking a **Mechanical, Industrial or Process Technologist with 3 to 5+ years of experience** (preferably from a manufacturing environment), who will be responsible for carrying out design, development, continuous improvement, and maintenance/repair projects. This position provides a diverse range of duties related to production troubleshooting, equipment & tooling design, facility & equipment upgrades, and process development & refinement. Other duties may include hands-on work focused on new product & process development.

The ideal candidate will possess the following qualifications:

- A Diploma or Degree in Mechanical, Industrial, or Manufacturing Engineering Technology from an accredited University or College.
- Eligible for registration with CTTAM as a Technologist.
- 3 to 5+ years of work experience, preferably related to tooling, equipment, product, or process design.
- A hands-on individual capable of providing innovative and practical solutions to problems.
- Proficient in design using Solid modeling software (preferably Solid Edge or Solid Works).
- Strong knowledge of fabrication, machining, manufacturing, and assembly processes.
- Continuous improvement driven attitude.
- Strong verbal and written communication skills (in English) and the ability to work effectively with customers, vendors, and various personnel throughout the organization.
- Proficient in using the Microsoft Office suite of products (Word, Excel, Outlook, PowerPoint).

- Strong organization and time management skills and the ability to effectively carry out multiple projects.
- Composites or plastics manufacturing experience a definite asset.
- Lean manufacturing experience an asset.
- Experience with process automation, PLC's, and hands-on machining & fabricating a definite asset.

What we offer

- RRSP;
- Group benefits including medical and dental.

Interested applicants should forward their resume by:

- **E-mail to: eng@faroex.com**

Gimli is a picturesque community in the heart of the Interlake and a vacation spot with many recreation attractions in both summer and winter.

- **Please note that phone calls will not be accepted.**
