

# Employment Resources Fact Sheet

---

## Canadian Technical Employment Network (CTEN)

Only members of CTTAM and members from the nine other provincial technician and technology associations in Canada can view the job postings on CTEN. This gives employers access to a specific network of technology professionals. By accessing CTEN, members can post a profile of their skills and expertise, get access to opportunities across Canada, and contact employers quickly and directly.

Find job opportunities in Manitoba. The “Work in Manitoba” job portal is an innovative, one-stop platform that connects job seekers across Canada with Manitoba employers.

## Manitoba Start

As a new internationally educated professional who has just arrived in Winnipeg, Manitoba Start is the first place to go.

Manitoba Start provides newcomers with services to help you find meaningful work and settle in your new community. They work with you to choose the settlement services that will meet your personal needs and create a plan to help you find a job.

*or visit the Manitoba Start office in person to register for services*

**RECOGNITION  
COUNTS**

*In partnership with*  
*Money doing more.*  
**Assiniboine**  
CREDIT UNION

Recognition Counts is a program that provides supports to skilled immigrants wishing to work in their fields of expertise or an alternative career in Manitoba.

The program offers financial counselling, as well as the opportunity to apply for a loan of up to \$30,000 with Assiniboine Credit Union, to help with the cost of having your qualifications recognized in Manitoba and obtaining employment in your profession or trade.
